The Fremont County Regional GIS Authority is seeking applicants for the position of GIS Analyst for the Geographic Information System (GIS) it operates in Cañon City, Colorado. The job title and salary assigned will depend on the qualifications of the successful candidate. The purpose of this position is to provide professional GIS database development work, GIS database analysis and maintenance, GIS application development, and computer map composition, editing, and plotting. Under the general guidance and direction of the GIS Manager the successful applicant will work with the Fremont County GIS Manager, GIS Authority client agencies, outside agencies, the public, contractors, vendors, software engineers, and technical support. Required are 2 years of training and/or experience in cartography, GIS and/or relational databases, GPS surveying, land surveying, and/or land-records management. Applicants may substitute, on a year-for-year basis, any equivalent combination of education and experience. Demonstrated competence operating ARCGIS Desktop version 10 and ArcGIS PRO is preferred. This is a full-time at-will position that provides, depending on qualifications, a salary ranging from \$50,000 per year to \$75,000 per year plus benefits. Resumes and references must be submitted to the office of the GIS Authority at PO Box 533 Cañon City, CO 81215 prior to 5:00 PM, Thursday May 29, 2025. Or they may be sent as an email attachment to [Keith.Berry@fremontco.com](mailto:Keith.Berry@fremontco.com). The Fremont County Regional GIS Authority is an Equal Opportunity Employer
